## KIWANIS TAKE ACTION FOR GETTING NEW DEPOT

At the Friday night meeting of Kiwanis, very little was done except to discuss ways and means of obtaining a new depot at Barbourville.

It was pointed out that five years ago, the L. & N. Railroad favored the idea of a new depot, but that as the war was on, it was suggested that it be deferred for about three years. This was done and we are now two years beyond that period.

It was recognized that the L. & N. has its troubles at the present time but it was also felt that as the city has grown considerably and shows every indication of continuing to do so, that it is time for the new depot to be built.

The following committee was appointed to see the L. & N. officials and take such other steps as are deemed necessary to get results: Chairman, R. N. Jarvis with H. H. Owens, Robert W. Cole, C. P. Kennedy and T. W. Minton.

The meeting expressed itself as ready and anxious to help meet the wishes of the railroad officials in their plans as our citizens have the best feelings toward the railroad or other enterprises that assist the city but it felt that the lack of a proper depot is a distinct detriment to the welfare of Barbourville.

A resolution was passed expressing good fellowship and a sympathetic attitude toward the Consolidated Coal Company, which recently bought out the Carter Coal Company on Brush Creek.

Rev. John Owen Gross stated that from 150 to 200 delegates to the Kentucky Annual Conference of the Methodist Church will be with us September 27 and for a few days stay and asked that all citizens "do their best to make them welcome and to take an interest in the Conference." He pointed out that these are men who gave of their time to make the Union College drive a success, which entitles them to special consideration at our hands. There will be speakers of note at the Conference.

## NICE FLUFFY SOAP SUDS

Nice, clear, sparkling, soft water, 100 lbs. pressure nice, live steam, that is how we wash your clothes with so little wear and tear. Individual care for each piece. Your delicate silk underwear washed by hand. No colored pieces faded. Eight classifications for each bundle. Seven changes of water for each wash. Your clothes last longer if you send them to the Barbourville Stemm Laundry. Just phone 34 and your wash day troubles are over.—Adv.

## UNION SERVICE

Next Sunday evening at the Court House square the Union Service will be addressed by Dr. George M. Kelpfer, of Pineville. Miss Lela Vincent will sing.

Your future can be as splendid and as glorious as you will make it.

## GOLF TOURNAMENT

The Southeastern Kentucky Golf Tournament is on and will last thru Saturday. On Thursday evening the three in the lead were Wm. Dishman, 150, N. A. Archer, Williamsburg, 152, and J. E. Archer, 156.

The following is a list of those entering:

## NEW HEATING SYSTEM FOR PUBLIC SCHOOL ARRIVES

The vacuum heating system has arrived and is being installed at the Public School. Mr. Carey states that it is a splendid heating plant and he expects great results this winter in comfort for the children.

## BAND CONCERTS POPULAR

The band concerts on Saturday nights are delighting our people. The band boys are giving most excellent music and plenty of it under the able direction of Conductor A. T. Simms, who not only knows music but is able to teach it to others. The band brings a source of interest and a friendly social intercourse among our citizens who congregate to hear the music that is invaluable in the strengthening of friendships and in creating a bit of local color that makes for good cheer and happiness.

Here's to the band!

## C. & M. RAILROAD IMPROVING ROAD BED

A great deal of work has been done on the Cumberland & Manchester Railroad in the past few months, the track having been made straighter by removing bad curves, new ties have been put down and equalized, grades have been reduced and about one half of the road bed has been ballasted with rock from the big quarry which was opened up some months ago. The rock from this quarry is an extra fine quality as it contains a percentage of lime making it suitable for road work as well as for railroad ballast. The rest of the track will be ballasted and when completed will be as fine a track as may be found anywhere. When finished the two big engines recently bought will be pressed into service.

## REV. J. O. GROSS SAYS WE ARE FAILING IN CHILD TRAINING

Rev. John Owen Gross preached a powerful sermon Sunday night in which he stated that the people of Barbourville are failing in seeing that their children receive religious instruction, either at home or, in too many cases, in Sunday School.

Large sums are spent on their pleasures in the aggregate while about \$500 covers what we pay for the religious instruction in Sunday School of the boys and girls on whom we are reckoning for complete fine manhood and womanhood. The speaker said we have been paying too much attention to saving the drunkard and the down and out compared with what we have done toward planting a real, vital religion in the hearts and minds of our young people. He suggested various systems by which they might receive more religious instruction.

It seems to the Advocate that the problem is simple for Barbourville. We have a Christian Board of Education who believe that a knowledge of the scriptures is vital to the upbuilding of religious character, so much insisted on by Mr. Gross and all sensible people. Why then should not the Board set aside the first half hour of each day for the reading of the scriptures, permitting the pastors of the churches of the city to talk to the children when desired, carefully confining their time to the prescribed half hour and non-sectarian scriptural teaching that none may have their religious prejudices wounded. Permission should be given to those of another creed to be absent from these readings if so desired.

It is said that the Bible is one of the best means of imparting a literary culture, apart from questions of morality and religion and the reading might properly be viewed as a necessary part of school instruction from every standpoint.

We suggest that the Board of Education and the ministers of the city get together and formulate a plan of action whereby the children of the public schools be given the religious education they are failing to get elsewhere. This will call for extra work on the part of the ministers but as men engaged in the task of character building we believe this will not prove a hardship.

## ARTEMUS NEWS

Jeff Baker is seriously ill and is not expected to live.—The remains of Amos Rice were brought in from Southend, Ind. He was killed in an auto wreck. He leaves three brothers, one sister, father mother, besides many friends and relatives to mourn their loss.—Otis Neal is building another new dwelling on his lots.—The stork arrived at the home of Rice Lock and left two fine boys, one democrat and one republican. Names are Woodrow and Sawyer.—Ross Wheeler has gone to Lexington, Ky.—Mr. and Mrs. Conghlin are visiting their parents, Mr. and Mrs. Will Rickett.—James Parrott has just received his new piano.—The Artemus Baptist Church members had a meeting to raise money for their new church building. There was a ladies' aid elected during the meeting to canvass the vicinity for church funds which no doubt will do good work.

Grant your imagination full sway.

## BULLETIN

A statement from the L. & N. depot verifies the end of the railroad strike today. Let's all go.

## MANCHESTER GRADED SCHOOL OPENED MONDAY

The Manchester Graded School began its nine months session Monday with a fine faculty in charge, headed by Prof. J. M. Hensley as principal. Chapel service was conducted by Rev. Mr. Walters who encouraged air castles for a big future, not to carry a big pistol, but to be big men really fine fellows with every girl growing into a fine woman, the "salt of the earth."

C. F. Heldrick was received with hearty applause. He complimented the ladies who have planted out a beautiful garden in the center of the square. It is a welcome sight to every visitor.

Mr. Heldrick spoke of over indulgence on the part of mothers as to be deplored. He stressed the fact that while boys and girls might not occupy the big positions in life they would be a success if whatever they did they did well. The young people of the mountains stand for the stability of the nation during the coming centuries, must protect it from dissension by understanding clearly what is right or wrong and must cultivate a spirit of give and right to health and education. The right to health and education. The speaker said the fact that the mountain boys and girls were subject to certain disadvantages would react to their advantage against the sons of rich men who have not learned self denial. "If you boys and girls will only plan out your lives and believe you can succeed you will do so. You are going to do what you have a right to do."

"When you grow up, the thing of which you will be most proud will be good education."

"There are going to be new ways of doing things and if you do not learn them you will be a failure."

"Learn to write distinctly, it is a great accomplishment."

"We could make this country a heaven on earth if all would do their duty."

When Mr. Heldrick mentioned that Farris Roberts, former station agent at Manchester, had been made superintendent of the C. & M. R. R. through good work, the applause was very hearty.

Fred Burman, editor of the Advocate spoke for a short time and was followed by Prof. W. J. Moore, principal of the high school who told of many poor boys who had become national and world figures.

Dr. J. L. Anderson said the boys and girls will be the future of Clay County as well as useful citizens of other sections. He urged preparation for whatever life work the children prefer, saying the responsibility for filling the places of their elders will later fall on them.

Supt. D. M. Allen urged real work instead of a spirit of "I'll get by" which makes for failure.

J. C. Cloyd asked for more interest in education on the part of the parents. They should realize that the children are all they have in life.

D. L. Hacker for the Board promised a good school.

Miss Mando Detherage  
Director of Department of  
Dramatic Art  
Barbourville Baptist Institute

There are two courses in this department—the regular Expression course and Public Speaking.

The Expression course is a study of interpretation and impersonation of the different kinds of readings: The Short Story reading; Monologue Dialogue; Narrative; Poem; Lyric; Dramatic reading and one act plays. A study of the voice program is given in this course. This course is two private lessons a week.

The Public Speaking course is one hour class work a week and one private lesson. Public Speaking is taken up in class. The private lesson will be a study of interpretation of Orations.

It is very hard to hold the attention of children. How can we make a story interesting? Instruction in Story Telling will be given extra to all students so desiring.

## M. E. LADIES AID ENTERTAINS

Last Tuesday, August 10, the Ladies Aid Society of the Methodist Church entertained the Ladies Aid Society of the First Methodist Episcopal Church of Pineville. Automobiles met the visitors at the train and conveyed them to the campus of Union College. There were 29 men and women present from Pineville. They put in one full day here. Games were played under the direction of Mr. Earl Mayhew. The Band under the direction of Mr. Alvin Sims gave a concert in the afternoon. A demonstration of life-saving and diving was given in the swimming pool by Misses Humfleet and Richardson. The dinner was the high feature of the day. Two large tables were filled with all the best things to eat and since it was a Methodist gathering there was a superabundance of fried chicken. Mr. Gross urged all of the folks to eat heartily as they had made a special provision for immigres—there being two physicians two ministers and three undertakers on the grounds. About one hundred and forty were present for dinner.

Mrs. J. F. Rasnick and children have returned from a two weeks visit with relatives in Williamsburg.

Miss Emma Johnson  
Music Supervisor of  
Barbourville Baptist Institute

Miss Emma Johnson is a graduate of Louisville Conservatory of Music and will teach piano to private pupils. She will conduct classes in the History of Music; Harmony; Sight Singing; Ear Training; Form Analysis and Physiology. She will also direct Orchestra or Band, Choir and Community Singing. She will teach Public School Music fifteen minutes every morning in each room. Public School Art will be taught in the primary and intermediate grades.

Before placing your child in school find out where he will get the best training.

## COUNTY HEALTH NURSE REPORTS FOR DUTY

Miss Edna A. Reinstedler, of Louisville, arrived Tuesday, August 15th, to take up her work as County Health Nurse.

Miss Reinstedler is a graduate of Norton Infirmary Training School, Louisville which puts the o. k. mark on her professional ability. Personally, she is of a friendly nature and is sure to make friends.

We are glad to have Miss Reinstedler with us. The county needs her work and will be the richer in health and bodily well-being thru her presence. Children who are now laboring under the handicap of physical defect, will, thru the co-operation of the nurse, parents and the medical profession find themselves on the same footing with other children.

We bespeak for Miss Reinstedler the usual kindness and hospitality for which Knox County is so well known and we are sure every citizen will help forward the good work in every way possible.

## ROAD CONTRACT TO BE LET

Washington, D. C., Aug 14, 1922. Fred Burman, Editor, Barbourville, Ky.

Just received the following statement from Hon. Joe Boggs, State Highway Engineer: "I am having construction plans on Barbourville-Corbin road completed now so that work can be advertised in the next letting."

LAWYERS LEADING IN  
REVISING COURT PROCEDURE

Even a blind man has been able  
to see that much legal procedure in  
the courts of the land is calculated  
to defeat rather than to bring about  
justice. Demurrers, scraps in court  
between counsel, browbeating of de-  
cent witnesses and even attempts to  
harm the character of women by  
conscienceless lawyers often defend-  
ing the dirtiest kind of crooks and  
murderers, postponement of cases  
thru chicanery or for ulterior mo-  
tives, laxity in the matter of per-  
jury, the use of professional jury-  
men and many other practices have  
cast the brand of suspicion on so  
called justice.

Such a condition is not of course  
new, since Holy Writ makes note of  
it in several places to condemn it,  
but the decent members of the  
American Bar refuse longer to re-  
main silent on the subject and they  
have raised their voices in protest  
and have gone on record for a bet-  
ter brand of justice. Since they are  
men of decency and honor we do  
not doubt that they will so grasp  
the situation and wrestle with it  
that before long high, low, rich  
and poor will meet on the same  
plane in the courts. Most things are  
a matter of custom, including de-  
cency and honor. The individual  
character is built up by a series of  
decent and honorable actions and  
the same is true of any institution,  
including the law. Most lawyers  
are honorable, but the decent ones  
are handicapped by the fact that  
some lawyers do not seek for jus-  
tice, but rather for acquittal even  
at the expense of truth and justice.

Much power lies with the judge,  
who is able to cut thru the froth of  
sophistry and confine such lawyers  
to the facts and this is one of the  
things most to be desired in every  
court, since it means that the un-  
fair demurrer, browbeating of wit-  
nesses, unnecessary postponement of  
cases, etc. will be stopped and the  
quality of the juries will be such  
that there will be no doubt as to  
whether they will render justice  
pure and simple.

Knox County may well feel some

pride that it was a leader in the  
matter of law and order enforce-  
ment and that such ideas have now  
spread over the Mountains, so that  
the effectiveness of the Mountain  
courts has become national knowl-  
edge. While it takes time to make  
perfect, it is the opinion of the Ad-  
vocate that the good work will go  
on in the Mountain section until  
lawlessness and other crimes will  
be at a minimum. As it is the doc-  
ket of Knox and other counties have  
shown a big improvement. That  
the Mountaineer has led in this  
matter is but another proof that the  
Anglo-Saxon, who has a natural  
passion for justice, has determined  
that his law shall be observed and  
not flouted.

He is no fool and he knows that  
if honor, truth and righteous deal-  
ing do not prevail, then is his  
boasted civilization but a house of  
cards.

## KEEP YOUNG

People with bad backs and weak  
kidneys are apt to feel old at sixty.  
Many old folks say Doan's Kidney  
Pills help them keep young. Ask  
your neighbor! Here's a Barbourville  
case:—

J. H. Smith, retired shoemaker,  
N. Main Street, says: "Doan's Kid-  
ney Pills are the best kidney remedy  
I ever saw. I had rheumatic pains  
in my arms and couldn't move them.  
My joints were stiff and ached aw-  
fully. My shoulders, back and  
limbs pained and I could hardly get  
about. The kidney secretions were  
scanty in passage and highly color-  
ed. I was in a bad condition when  
I commenced to use Doan's Kidney  
Pills. They soon helped me. The  
aches and pains left and I felt bet-  
ter than I had for years. I am al-  
ways glad to recommend Doan's."  
(Statement given November 6,  
1916.)

On March 12, 1921, Mr. Smith  
said: "I still take a few Doan's Kid-  
ney Pills when I think my kidneys  
need attention and they never fail  
to help me. Doan's are a fine kid-  
ney medicine and I am always glad  
to speak a good word for them."

## COURT NEWS

One of the best equipped tank  
stills ever taken was captured Sat-  
urday morning on Goose Creek, Jim  
Gambel and a man named McVey  
being found at the still which was  
still hot. Only one run had been  
made it is alleged, the moonshine  
having been sold the previous night.  
Beer taken amounted to 150 gal-  
lons. Gambel and McVey were ar-  
rested and brought to town.

Bill Burnett, of Goose Creek, who  
was charged with moonshining, was  
taken out on the Corbin road Tues-  
day to work with the road gang and  
made his escape.

John Hammons, of Trace Branch,  
was fined \$100 and 30 days and put  
under a \$3,000 peace bond on a  
charge of bootlegging. He appealed  
the case.

## PLANTING BARLEY

As a result of Oldham farmers  
growing more barley during the  
last year, indications are that the  
acreage of this crop seeded in that  
county this fall will be ten times as  
great as that sown last year. County  
Agent Gordon B. Nance says. Far-  
mers who usually sell wheat and  
buy corn will replace the wheat  
with barley.

Gentlemen:

You will doubtless be pleased to know that the Model 6-40 MOON sold me sometime  
since is giving entire satisfaction.

My experience with automobiles up to this time has been confined to eight-cylinder  
cars of which I have owned and operated five. However, I do not regret having changed  
from an eight to the MOON six-cylinder, especially since the latter is much more  
economical in its gas and oil consumption and affords all the comfortable riding qualities  
of the former. The pleasing lines and nice appointments of the MOON bear witness to  
the pains-taking efforts of the manufacturer—one of the oldest in the industry, I am in-  
formed—to place a quality-car within the reach of a modest outlay and to justify the  
purchaser's pride of ownership.

The testimony of a satisfied customer ought to be a good advertisement, particularly  
if he is a discriminating buyer, and I commend the car you are distributing to the thought-  
ful consideration of prospective purchasers everywhere.

Yours truly,  
(signed) P. D. BLACK

## Rheumatism at 60

S. S. S. Thoroughly Rides the Body of  
Rheumatism Impurities.

Somebody's mother is suffering to-  
night! The scourge of rheumatism  
has wrecked her body; limping and  
suffering, bent forward, she sees but  
the common ground, but her aged  
heart still belongs to the stars. Does  
anybody care? S. S. S. is one of the  
greatest blood-purifiers known, and it  
helps build more blood cells. Its medi-  
cinal ingredients are purely vegeta-  
ble. It never disarranges the stomach.  
It is, in fact, a splendid tonic, a blood  
maker, a blood enricher. It banishes  
rheumatism from joints, muscles and  
the entire body. It builds firm flesh.  
It is what somebody's mother needs  
tonight! Mother, if you can not go  
out to get a bottle of S. S. S. yourself,  
surely somebody in your family will.  
Somebody, get a bottle of S. S. S. now!  
Let somebody's mother begin to feel  
joyful again tonight. Maybe, maybe  
it's your mother! S. S. S. is sold at  
all drug stores, in two sizes. The  
larger size is the more economical.

How glorious you will feel, mother,  
when your rheumatism is all gone. Let  
S. S. S. do it. It will build you up, too!

### EPISCOPAL SERVICE

Rev. J. J. Clopton, General Mis-  
sionary of the Episcopal Diocese of  
Lexington, will hold service in the  
Presbyterian Church at 11 o'clock  
next Sunday morning. The public  
is cordially invited.

### HERSHBERG-POWERS

The marriage of Mr. Therman  
Powers, of Knoxville, Tenn., and  
Miss Ray Hershberg took place at  
the home of the bride's mother on  
Saturday morning at 9:30 o'clock,  
the ceremony being performed by  
Rev. D. Edgar Allen, of the First  
Baptist Church.

Immediately after the ceremony  
the young couple left by auto for  
Knoxville, Tenn., being accompanied  
as far as Pineville by Mrs. J. Effron  
and Mrs. W. T. Rye.

Miss Ray is one of our own town  
girls and her many friends will wish  
the young couple every joy and pros-  
perity in life.

Mr. and Mrs. Powers will make  
their home in Barbourville for the  
present.

### PINEVILLE CHIEF OF

#### POLICE RESIGNS

"Buster" Roberts, chief of police  
of Pineville, resigned his position  
Monday mnd, after investigation, has  
been indicted by the grand jury now  
in session there on six charges in-  
cluding the transportation of liquor  
and assault and battery.

According to the information re-  
ceived here, Roberts was driving  
near Cumberland Gap Sunday and  
ran into Alvis Howard's car. Rob-  
erts went on without stopping and  
when Howard drove up to him and  
said something to him Roberts got  
out and abused and threatened How-  
ard. Mr. Howard's wife and child  
were with him and bear up his state-  
ment. Roberts then drove on but  
this time he upset his own car and  
when Howard drove up to him he  
said there were several bottles of  
what he took to be moonshine whis-  
key in the car, most of it broken by  
the accident.—Midlesboro Daily.

Never before in the history of the  
world has the Door of Opportunity  
been flung so wide open.

### SILLO IS A GREAT BIG BANK

Every farmer in Kentucky who owns a sillo can consider himself the President and Board of Directors of a first-class bank.

A sillo is an institution for the secure storage of valuables; silage is valuable. A bank is a source of help in financial stress—so is the sillo when feed is scarce. A bank not only keeps its patrons funds safely but returns them with interest; so does a sillo return interest but at a rate far above that of a bank. As an investment the bank returns profits on the money put into it; as a sole stockholder in the sillo the farmer will find it one of the best investments he ever made.

Kentucky is gaining steadily in dairying. The most reliable authorities state that there are 14,000 sillos in the state, each with an average capacity of 100 tons. Assuming \$5 per ton as the feed value of silage, the deposits in these rural banks of the state amount to about \$7,000,000. There is room for at least four times as many more sillos as the state possesses now. If Kentucky had 50,000 sillos the resources of its farmers as represented by deposits in sillo banks would be increased to \$25,000,000. Here is one of the rocks on which must be built Kentucky's future success in dairying.

## Bible Thoughts for This Week

**Sunday.**  
RESTORE THE ERRING:—Brethren, if a man be overtaken in a fault, ye which are spiritual restore such a one in the spirit of meekness; considering thyself, lest thou also be tempted.—Galatians 6: 1.

**Monday.**  
SAYING GOODBYE:—Finally, brethren, farewell. Be perfect, be of good comfort, be of one mind, live in peace; and the God of love and peace shall be with you.—2 Corinthians 13: 11.

**Tuesday.**  
FLEE FROM WANT:—The Lord is my shepherd; I shall not want.—Psalm 23: 1.

**Wednesday.**  
SEEK TODAY:—Seek ye the Lord while he may be found, call ye upon him while he is near.—Isaiah 55: 6.

**Thursday.**  
THE ONLY GOD:—Hear, O Israel: the Lord our God is one Lord.—Deuteronomy 6: 4.

**Friday.**  
CHRIST'S BENEDICTION:—Peace I leave with you, my peace I give unto you; not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.—John 14: 27.

**Saturday.**  
THE ASSURED HARVEST:—Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap.—Galatians 6: 7.

"Hitch your wagon to a star."

### DE WITT DOINGS

Ed Mayes is engaged in the poultry business having bought out the entire lot of James Epperson who has moved to Coal Port. The Corn crops are looking dry on Stinking Creek owing to the drought. Robert Johnson and Proctor Sizemore visited Walker Town Sunday. C. A. Mills, of Flat Lick, paid his mother a visit Sunday. Our school with D. M. Walker as teacher is progressing nicely while the increase in the attendance of students is beyond the census and Allen Walker has been contracted as assistant teacher. Green Messer, of Pineville, visited his brother, John Messer, Saturday and Sunday. Green Messer is one of Pineville's successful business men. Henry Messer visited at the home of Dave Bingham, Walker Town, Sunday. Canie Mills, of Walker visited the home of John Carnes Sunday. James Lester has just returned home from Cincinnati where he has been taking training as a barber and is on the lookout for a job or the establishment of a business. The housewives are now canning vegetables and fruits of which there are plenty on Stinking Creek. Church services were conducted at Hales Creek by the Baptists and at Hinkle Branch on Road Fork by the Holiness people Sunday. Both had good crowds, while some of the outsiders seem to have a different spirit, or more properly, spirits. There seems to be a few wet spots yet in Knox County even thru the drought period. There is a mild shower in progress this morning which is good for the corn crop. When you want the news subscribe for the Advocate.

**The Price of Beautiful Rooms**

The only price you need to pay for beautiful rooms is the extremely low price of Richardson Wall Board. And when we talk Richardson Wall Board to you, we talk only three things:

Utility! There is an almost unlimited variety of uses for it—as a permanent finish for any room in the home; for converting attics or other wasted space into useful rooms; for finishing garages or barns; for summer cottages or camps.

**RICHARDSON**  
**Wall Board**

Quality! Richardson Wall Board is made by The Richardson Company, with the reputation of over 50 years' manufacturing experience behind it. This assures the best of materials as well as skilled workmanship. The government has recognized the quality of this product by using millions of feet of it.

Price! Richardson Wall Board is as low in price as any good wall board on the market. Richardson methods, plus quantity production, make that possible.

Let us quote you prices.

# THE BIG

# KNOX COUNTY

# FAIR!

## Aug 30-31, Sept. 1

1922

The BIG SOCIAL MEET of the year. Come and see what your neighbors are exhibiting. Get in the game yourselves if you have not already done so. Help make your County Fair something that will not only amuse but educate as to Agricultural, Stock Raising and Fruit Growing Opportunities here.

## Horse Races

Are always an interesting feature of the Fair. Everybody likes to see good stock in action. Your horse or mule may win the race. Take a shot at the premiums. The more the merrier. No entrance fee is charged.

## Stock Show

Excellent premiums are offered for all classes of stock exhibited. A blue ribbon will give your stock class among your neighbors.

## Fruit--Canned Goods

This should be a banner year for fruit and canned goods. Let us make it the best display year that Knox County has ever had.

## Then The Baby Show

Prove to the world that Knox County's babies are the finest ever. Judges will be given full protection. Bring the baby and let's get acquainted.

## Heaps of Fun

The Management has arranged for good shows that are clean, yet will give the full amount of fun for the money. Some day, we shall be dead. Let's enjoy the Fair while we are alive. A rollicking good time, with plenty of music will help us to forget our troubles. If you don't care to bother with eats, there will be plenty on the grounds. Pure water in abundance. Hitch up, load up the wife and kids put on your best smile and let the rest of the world meet you at the Fair. It is your Fair anyway.

August 30-31 Sept. 1st.

## BASEBALL

Two Good Teams Will Play Ball! August 31st. and the winner will cross bats with Barbourville on Sept. 1st. Be Sure and See These Games.
